Company Testimonials

"SNC's main office remains in Greater Reno-Tahoe for a number of reasons. Besides the obvious benefits of living and doing business in a state with no state income tax, SNC employees also enjoy the nearby Lake Tahoe and Sierra Nevada recreational areas that contribute to quality of life. Abundant corporate tax advantages available in Nevada are enhanced through partnership with EDAWN. Recently EDAWN assisted SNC secure tax incentives that will allow SNC to grow and contribute even more to the local and national economies. Our membership in EDAWN is a vital component in our planned growth."

**Renee Velasco, SPHR, Corporate Director,
Mergers & Acquisitions/Administration, Sierra Nevada Corporation**

Sierra Nevada Corporation is a fast-growing, diversified high-tech electronics, engineering, and manufacturing corporation founded and based in Greater Reno-Tahoe with 400 highly-skilled employees and another 1,600 people based in 35 U.S. locations in 20 states.

"Our close working relationships over the years with the public schools, with the University of Nevada, Reno, Truckee Meadows Community College and other educational institutions have yielded many benefits to IGT. Every aspect of our business has profited through our ability to locally recruit and hire well-educated employees. Examples of local graduates routinely hired by IGT include accountants, engineers, logistics personnel, computer science professionals, administrative staff, assemblers and technicians."

Harold Zeitz, Senior Vice President, Core and Specialty Markets, IGT

International Game Technology is a global company specializing in the design, development, manufacturing, distribution & sales of computerized gaming machines & systems.

"It's been a wonderful place to live and a great place to do business."
